### Laugh Lines.....

A couple, desperate to conceive a child, went to their priest and asked him to pray for them. “I’m going on a sabbatical to Rome,” he replied, “and while I’m there, I’ll light a candle for you.” When the priest returned 3 years later, he went to the couple’s house and found the wife pregnant, busily attending to two sets of twins. Elated, the priest asked her where her husband was so that he could congratulate him. “He’s gone to Rome,” came the harried reply, “to blow that candle out.”

Jackson went to a psychiatrist. “Doc,” he said, “I’ve got trouble. Every time I get into bed, I think there’s somebody under it. I get under the bed, I think there’s somebody on top it. I’m going crazy.”  
“Just put yourself in my hands for 2 years, see me 3 times a week, and I’ll cure you.”  
“How much do you charge?”  
“A hundred dollars per visit.”  
“I’ll think about it.”  
Jackson never went back. Six months later, the doc saw him on the street. “Why didn’t you ever come to see me?” asked the psychiatrist.  
“For a hundred bucks a visit? A bar tender cured me for ten dollars.”  
“Is that so! How?”  
“He told me to cut the legs off the bed.”
