Volunteer Spotlight

People Program's blessings are indeed abundant! And acting instructor Lance Nichols is one of them. A native New Orleanian, Lance majored in drama at U.N.O., and then headed for sunny opportunities in Los Angeles where he spent 24 years polishing his television personalities on various sitcoms. His first TV appearance was on "The Dating Game" where he was "the chosen one" for a special time with a contestant. Lance started TV acting on "Gimme a Break" which led to appearances on 70 different televised shows. In 2002 Lance returned to New Orleans to pursue the opportunities of "Hollywood

South". His connection to People Program came from his wife, Zardis, who sang with the Ed Lewis Quintet at the Lakeshore Open House and Gala. She was impressed by the facility and suggested that Lance use it for workshops and that he teach an acting course in the fall. Lance believes that acting presents an opportunity to "play my childhood games as an adult and get paid handsomely for it." This week Lance will be returning to the set of the exceedingly popular New Orleans series "Treme" where he plays dentist, Dr. Larry Williams. Thank you, Lance, for shining such a bright light onto People Program's stage.

Catholic Shampoo

While shopping in a food store, two nuns happened to pass by the beer cooler. One nun said to the other, "Wouldn't a nice cool beer or two taste wonderful on a hot summer evening?"

The second nun answered, "Indeed it would, Sister, but I wouldn't feel comfortable buying beer as I am certain that it would cause a scene at the check-out counter." "I can handle that without a problem," she replied as she picked up a six-pack and headed for the check-out. The cashier had a surprised look on his face when the two nuns arrived with a six-pack of beer. "We use this beer for washing our hair," the nun said. "A shampoo of sorts, if you will."

Without blinking an eye, the cashier reached under the counter and pulled out a package of pretzel sticks and placed them in the bag with the beer. He then looked the nun straight in the eye, smiled and said, "The curlers are on the house."
