Our 2010-2011 Annual Appeal has indeed been very successful. To date we have collected \$23,250 which beats last year's total. We are so excited about the dollar amount; however, we are hoping to increase the percentage of responders. There is still time to donate! We have never hit \$25,000, and since we are so close, we are asking for a last minute rally. Campus directors would be glad to accept a check or credit card donation. Can we count on you? The donors listed below begin on October 15. Previous donors are listed in the October 18 newsletter edition which can be retrieved online on our webpage: www.peopleprogram.org
